Much have I seen and known . . .

I am a part of all that I have met.
Yet all experience is an arch where-thro'
Gleams that untravell'd world, whose margin
fades Forever and forever when I move.

—Tennyson's "Ulysses"

Listen, we are inviting you. Look on these pages, on pictures printed in the past, recorded in the ever more distant past, some even faded with age. In some places you see only white where the old images have gone completely—and yet haven't they left the ghost of a shape, a space to be filled and incorporated? Now feel, in your right hand, the weight of what is to come, of what you will soon be seeing and accounting for.

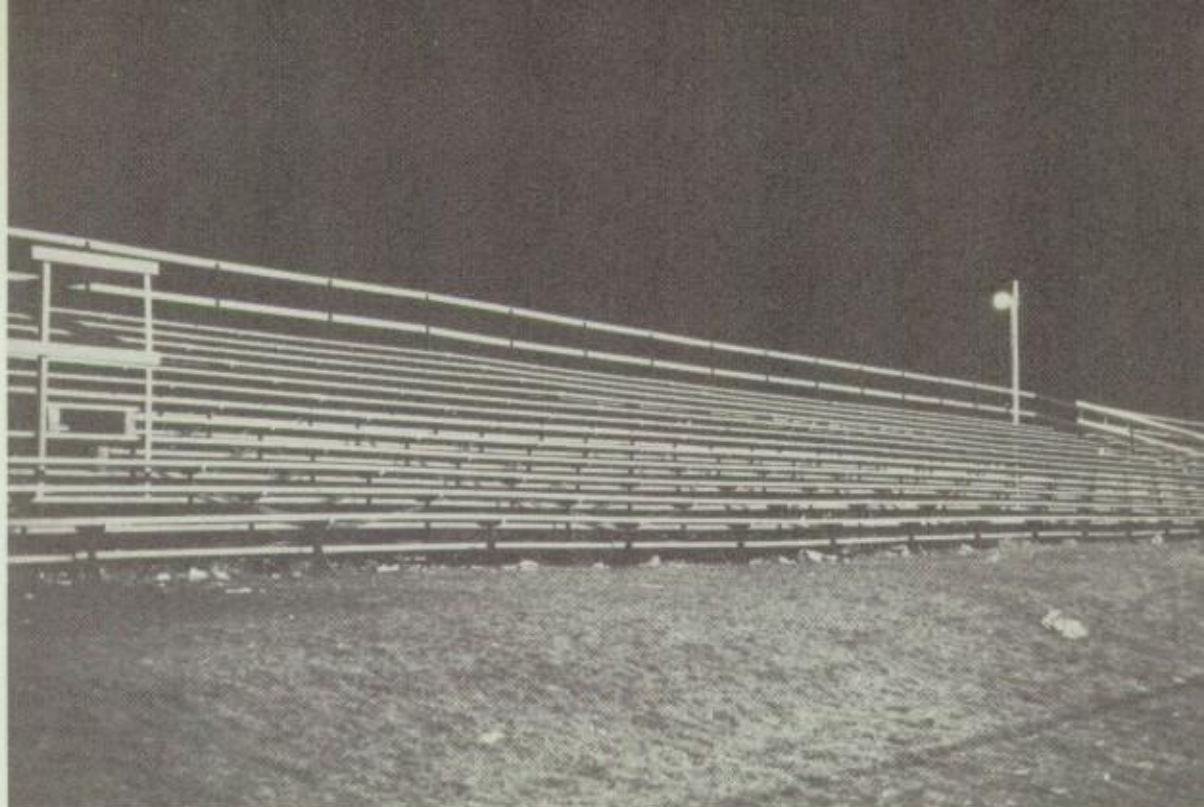

Tennyson rightly said that we are a part of all that we have met. For most of us, our stay at AHS is now and perhaps will be a most memorable meeting of our lives. Here, in the fall, we have rallied at football games, won debates, presented plays, nurtured friendships that will endure for the remainder of our lives. In the crispness of winter, we triumphed at basketball games, won more, saw more, did more, sang more, learned, and prepared. In the spring . . . it is difficult to say how many careers may have been planned, how many romances plotted, in minds of youth day-dreaming over their books in far corners of classrooms. Occasionally we have stopped to consider and contemplate the values won and lost, the building, the teachers, the gift from those of the past to us of the present and to those who will follow our trails in high school life.

Won't you follow with us now, the trail we made in Albion High School 1962-63.

. . . All times have I enjoyed greatly

DEDICATION

Each year the Breeze Staff takes extreme pride in dedicating its annual to a person who deserves recognition for his services to the school. This year we are happy to bestow this honor upon Mr. Kenneth Higgins.

Mr. Higgins was born in Eaton Rapids, Michigan where he attended school. In 1938 he graduated from Albion College and taught history for five years at Decatur High School, Decatur, Michigan. Not only was he a fine teacher but also an excellent basketball coach, for under his guidance, Decatur won a State Basketball Championship in 1942.

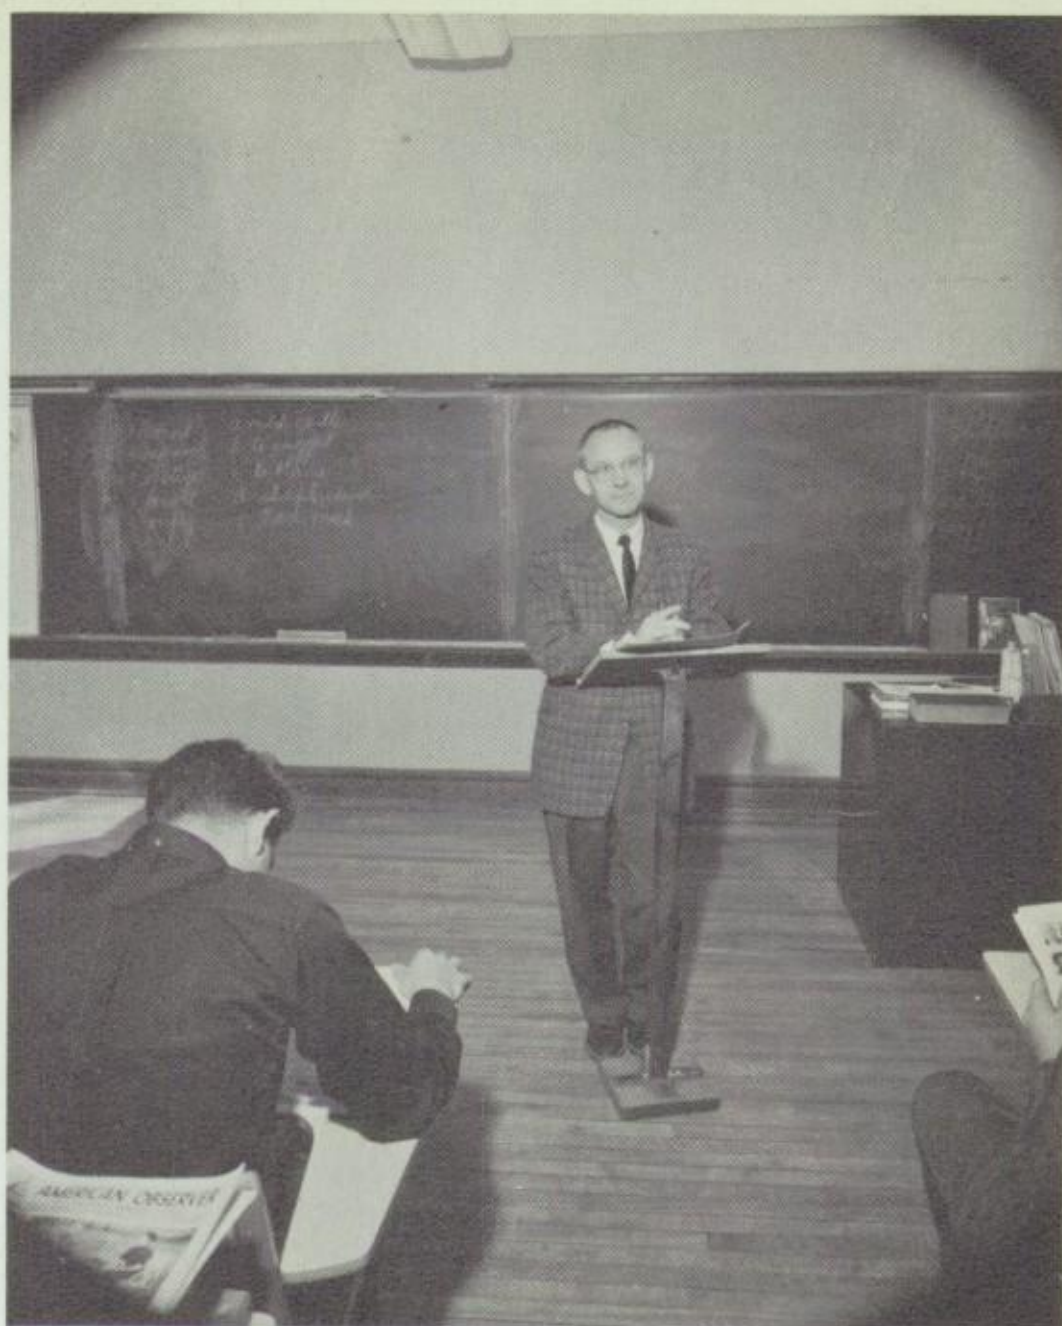

His teaching career was interrupted in 1943, because of the European War when Mr. Higgins served in the infantry. Right after the war he found the opportunity to attend the University of Grenoble in France for a few months.

In 1946 Mr. Higgins moved his family to Albion where they have since resided for sixteen years. He began teaching history at Albion High and went to work on his Masters Degree, which he received from Albion College in 1951.

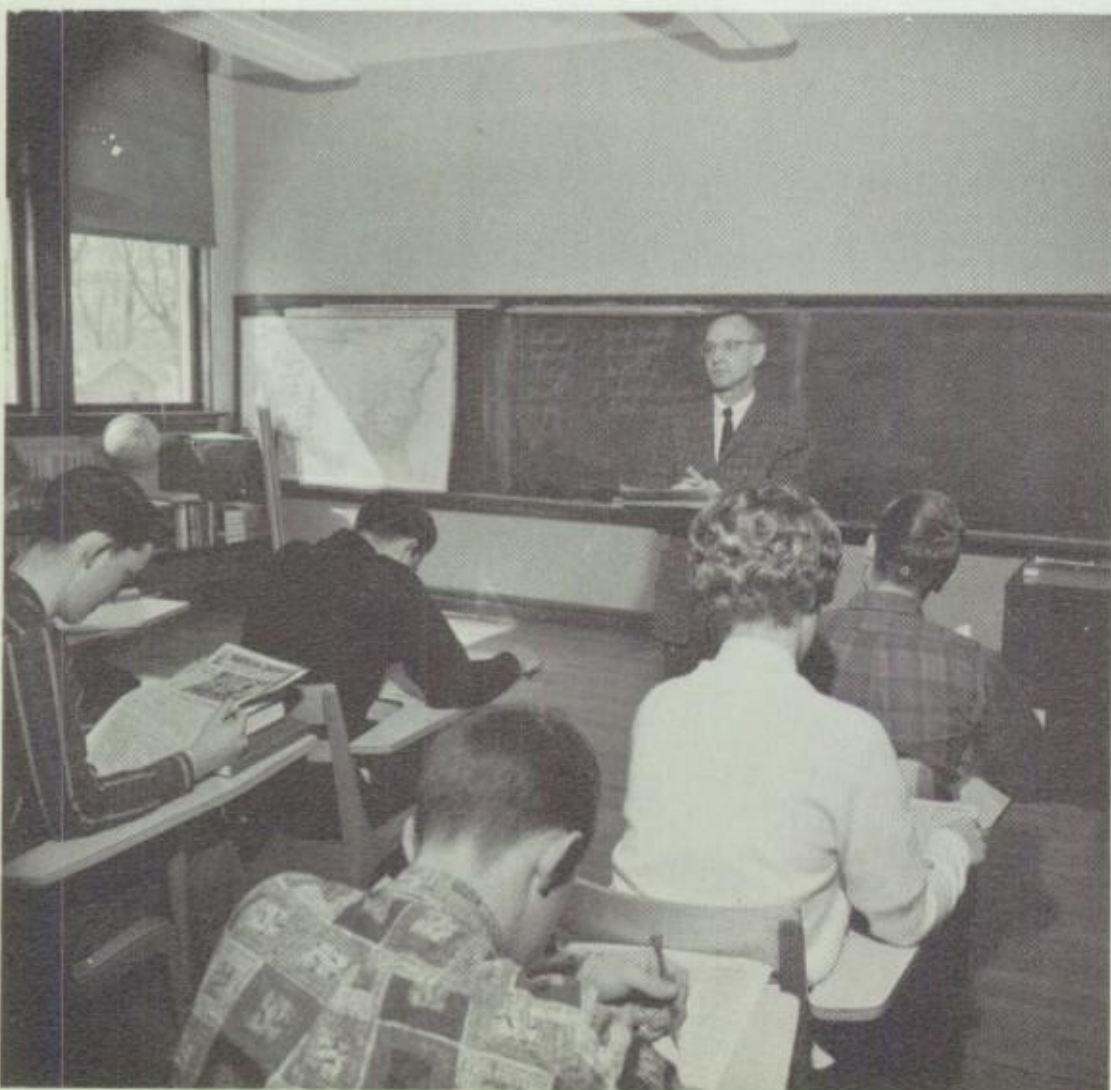

The Higgins' family consists of his wife Esther, daughter Genie, a junior at Central Michigan University, and son, Bruce, a freshman at Albion High School. They reside at 607 Fitch Street.

Mr. Higgins maintains continued interest in all sports and is an avid reader. His future plans are to continue teaching.

We are most fortunate and very proud to have such a fine teacher and friend here at Albion High School.

Mr. Higgins offers helpful study habits to his pupils.

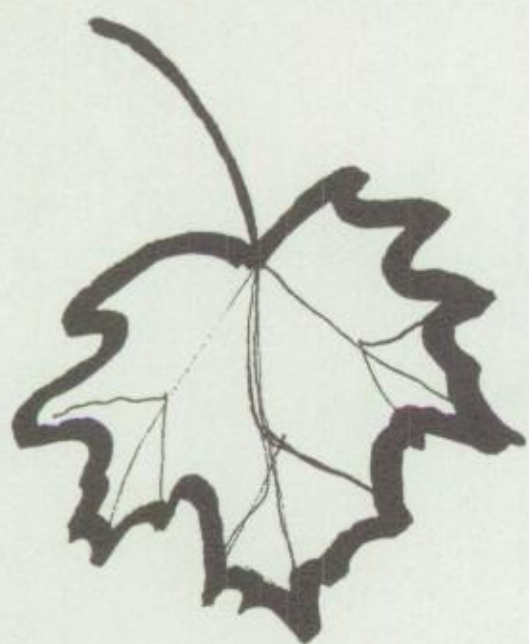

Fallen leaves crackle underfoot
While cheers echo far away,
As I recall the football games
Of many a gone-by day.

Though the year has past by quickly
And all that was to be has been,
I'd like to return to those happy days
And walk those paths again.

Capture 2nd in Twin Valley

This year the Albion Wildcats ended a successful season with a record of six wins, one tie, and one loss. The fighting eleven opened the season by defeating Jackson St. Johns for the first time since 1953. Under the supervision of head coach Ellsworth Anderson and line coach Fred Snell, the 'Cats roared through the season upsetting Sturgis, Coldwater, Three Rivers, and Lakeview. The squad met its first real obstacle when they tied Hillsdale 7-7. The next week proved more heartening, however, when Albion trounced Harper Creek 40-13. Finally, in an exciting game the 'Cats met their match when the Marshall Redskins sneaked past Albion to win the Twin Valley championship, 6-0.

Enthusiastic crowd doesn't want to miss a bit of action.

After nine years of coaching football, Walter Krueger finally experienced the dream of every coach, a perfect season. The 1962-63 Junior Varsity football squad completed their season with seven wins and no losses. Under the guidance of coaches Walter Krueger and Erwin Crownley the reserves scored a total of 199 points against their opponents 37, and gained over 1800 yards in rushing. The captains of this year's team were Dave Ralston and Ron Issac.

Top scorer for the reserves was Pat Howard with a total of 56 points. Scoring 49 points was Dick Underwood, second high man for the team.

Albion scoreboard records the defeat which cost us the Twin Valley championship.

Following in the steps of the Varsity and Junior Varsity football teams was the Freshmen squad with a record of four wins and one loss.

Under the leadership of co-captains Bill Keller and Bob Carrigan, and coaches James Kareck and Phillip Steen, the freshmen scored a total of 139 points against their opponents' 32. Leading scorers for the team were Bruce Higgins with 31 points, Windy Jackson with 21, and Mike Luty with 19 points.

At this year's annual football assembly, fifty-one freshmen received their certificates.

Coronation of Pert Trudy Wolfram

Queen Trudy and her escort.

"Homecoming—'62" saw the climatical crowning of its queen, pretty Trudy Wolfram, a hard fought tie football event, eight senior beauties and the most admirable weather in several frosty years.

Festivities began in the late afternoon with a varsity club sponsored pep assembly while that evening during the homecoming half time show of the Wildcat football tilt with the Hillsdale Hornets the junior and senior classes paraded their magnificent floats around the field. The juniors presented a huge moving steam roller squashing the hornets and bearing the caption "Mash 'Em." A giant economy size of "Raid" insect repellent was the senior's mas-

terpiece as they sprayed the Hornets to a deadly defeat. The caption read "Raid those Hornets."

Then came the eight candidates for queen, chosen by the senior class, Trudy Wolfram, Dianne Yokom, Terri Van Meter, Charlene Vaughn, Barbara Heisler, Sue Buist, Arlene Crites, and Sue Bobbitt.

Queen Trudy was crowned by principal Harry Williams in the center of the AHS "A" formed by the band, as they played the Miss America theme.

After the game, Queen Trudy and her court reigned at the star studded Homecoming dance held at the Albion Armory.

This year the senior high student council has busied itself with numerous projects. Its first major activity was the sponsoring of Homecoming with twenty-five dollars being allotted for the Senior Class Homecoming dance.

Because the point system (found on the back of the high school bulletin) was felt to be out-dated and confusing the system was revised with the new set-up to be found on next year's bulletin. Since the high school has two large trophy cases, the student council decided to feature several trophies every month giving information about each.

Late November found the Student Council joining the faculty to co-sponsor open house for the Junior-Senior high.

In order to gain better relationship between the students and the faculty, a tea for teachers was held in early December, later followed by the Student Council sponsorship of the Christmas formal, entitled "Starlight Fantasy." In the spring the Council handled the class elections.

Other Student Council sponsored activities included: purchasing a new dictionary for the study

hall, sponsoring a talent assembly, sending get well cards to ill students, and taking an active part in observing Michigan Week, and publishing of a handbook containing names of clubs, school curriculum, songs, and various items of interest concerning A. H. S.

Officers for 1962-63 were Marion Wheeler Jr., president; Jerry Miller, vice-president; Gary Johnson, treasurer; Trudy Wolfram, secretary, and Leslie Miller, sergeant-at-arms.

Under the leadership of David Lloyd and the guidance of Mr. Ordell McElhaney, this year's Junior High Student Council tried to stress the importance of its functions through the thirty representatives chosen to represent the Junior High School Student body. The first project of the year was the planning of Open House at which all members served as guides for the parents. At the end of the first semester, on January 26th, the council sponsored their annual dance—this year appropriately named "The Exam-Crammers Delight." As the next project on the agenda, the council dipped into their treasury to purchase a school banner to be used by the Junior High Band, at assemblies, and for other school activities. Another annual practice of the Student Council is to head up the Tardiness Contest. This contest, compelling students to strive for punctuality, was again this year very successful. Plaques were awarded to the Home Rooms that scored the lowest percentages of tardiness.

For better student-teacher relations, a tea was planned for April 16th in honor of the teachers while members of the council served the refreshments. As a finale to the year's activities, the council planned the Achievement Day program under the supervision of Mrs. Fleenor.

The French Club, with Mrs. Hicks as advisor, consists of 52 members. It meets once a month at the home of a member. A program is presented and refreshments are served.

This year some of the programs have consisted of: caroling in French, a gift exchange at Christmas, slides of Western Europe, and the initiation of new members.

This year's officers have been: President—Trudy Wolfram; vice-president—Pat Myers; Secretary—Ann Chauncey; and Treasurer—Ron Isaac.

"Los Buenos Vecinos," under the direction of Mrs. Mildred Ford and officers consisting of President Dan Boggan, Vice President Mary Sprandel, Secretary Marilyn Zeluff, and Treasurer Alicia Gonzalez, had a profitable and eventful year.

The highlight of the year's activities was the invitation of the Homer Spanish Club to one of its sessions. Members, displaying their newly purchased club pins, were later the guests of Homer. Marcia Madrigal and George Howeg, our Spanish exchange students, contributed much to our year.

Spiritual Values Are Important

The Convocation committee, under the chairmanship of Brenda Smith, with Sally Huvendick acting as secretary-treasurer, planned and executed three convocations this year.

Mrs. Ethel Fleenor advised the group and helped in the planning of the programs.

The school year brought with it a couple of changes for the Bible club. Instead of the weekly meetings as in past years, the group met every other week. This change was made to give more time for the preparation of each program.

Another important change was the printing of an official membership program and membership cards for the 50 members.

Bible club was advised again this year by Mr. Herbert Hamlin. The officers were Myrna Griffin, president, Lois Fast, vice-president, Joan Court, secretary, and Craig Klepper, treasurer.

The purpose for the club, suggested in its name, is to burn lights for Christ and to offer a place and time for Christian fellowship.

Lee OK Soon is an eight-year-old Korean orphan who has been helped by the Orphan's Club.

The club, under the guidance of Miss Agnes Haynes, sponsored a stationery sale, several bake sales, and accepted donations to finance their orphan. The group placed cannister in several A.H.S. rooms and used the donations to send Lee a large baby doll at Christmas.

Early in March a drive for additional members was launched at the home of Sue Snyder when Miss Haynes showed slides of Korea to interested students.

The club began in 1960 when Miss Haynes' World History classes saw a movie depicting homeless Greek children. One of the classes asked "why children should suffer for errors in judgment they did not commit"? From this question the Orphan's Club was born.

Cultural Organizations Provide Proper Blend in Student Life

The newly formed Tastemakers Club has proven to be a very active group. The club was formed because several students felt the need of an organization through which they could improve their knowledge and appreciation of the various arts, such as music, theater, and painting.

Some of the cultural programs to which club members were exposed are the Flint Planetarium and Art Gallery, the Marshall Civic Theater plays, the All-Star Orchestra Concert staged at Albion High School, the Vincent Van Gogh exhibit in Detroit, and the Peter, Paul and Mary performance at Albion College. The club held two record sessions consisting of jazz, classical, show tunes, and Homer and Jethro.

Two successful bake sales and many adventurous trips sum up the year for the Tastemakers. Advisers to the club were Mr. Abel and Mrs. Geyer.

The plot centers around ten million dollars in bonds, which, to the horror of the avaricious stepchildren is seemingly destroyed by Mr. Savage. The play takes place in "The Cloisters" a private home where the inmates are retreating from a supposedly normal world.

The pursuit of the bonds leads the stepchildren in a wild goose chase to make themselves look ridiculous.

Although "the Curious Savage" is a comedy, the author wishes to show the escape of people from a crazy world, and the characters are portrayed with warmth and dignity.

For Keeping A.H.S. Teams in

Because Albion High School has a great coaching staff, we would like to take this opportunity to thank each one of them for helping us through a winning season. Without their tireless efforts the school wouldn't have won the Twin Valley Basketball championship or placed second in Twin Valley Football, or had such a fine group of Cheerleaders, or had baseball, golf, tennis, track, or debate squads that we could look to with pride. Wrestling, swimming, and cross-country have added much to our athletic program and soon, they too will be after championship titles.

Cross Country

Under the direction of coach Donald Ashdown, Albion participated for the first time in Cross Country. The Wildcats had a slow start this year, finishing the season with one win and four losses.

Competing for Albion were Paul Burstein, Stan Herriff, Grant Iverson, Bob Gano, Craig Kemler, Mike Masternak, Chuck Miller, Dave Szot, Chuck Weeks, Scott White, and Steve Williams. Steve is the current record holder for A.H.S. with a time of 16 minutes, 47 seconds for the two-mile course.

Besides the regular meets, the team took part in the Albion Invitational at Albion College, and the State Regional meet at East Lansing. In both meets Albion was competing with class "A" schools.

Versatile Varsity Club Stages Parties, Dances, Hayrides

What makes a club successful? Let's take a peek at what the varsity men of A.H.S. have done throughout the year. In an early year club election, Chuck Burch became president, Isidro Garcia, vice-president, Gary Johnson, secretary, Keith Herrif, treasurer, and Chuck Weeks, sergeant-at-arms. They had as advisers Mr. Donald Ashdown and Mr. Ellsworth Anderson.

Since the club's purpose is to advance sportsmanship and increase school interest in athletics, the fellows started the year out by publishing free football programs for all the fans. Next they bought wrestling mats for the newly formed wrest-

ling squad and shoes for the basketball team. They also sponsored the Red and White intra-squad basketball game, staged the annual senior-faculty basketball game, and also helped with the basketball banquet.

A semi-formal dance was held, and on a frosty December night a hayride took place. A spring party was also held.

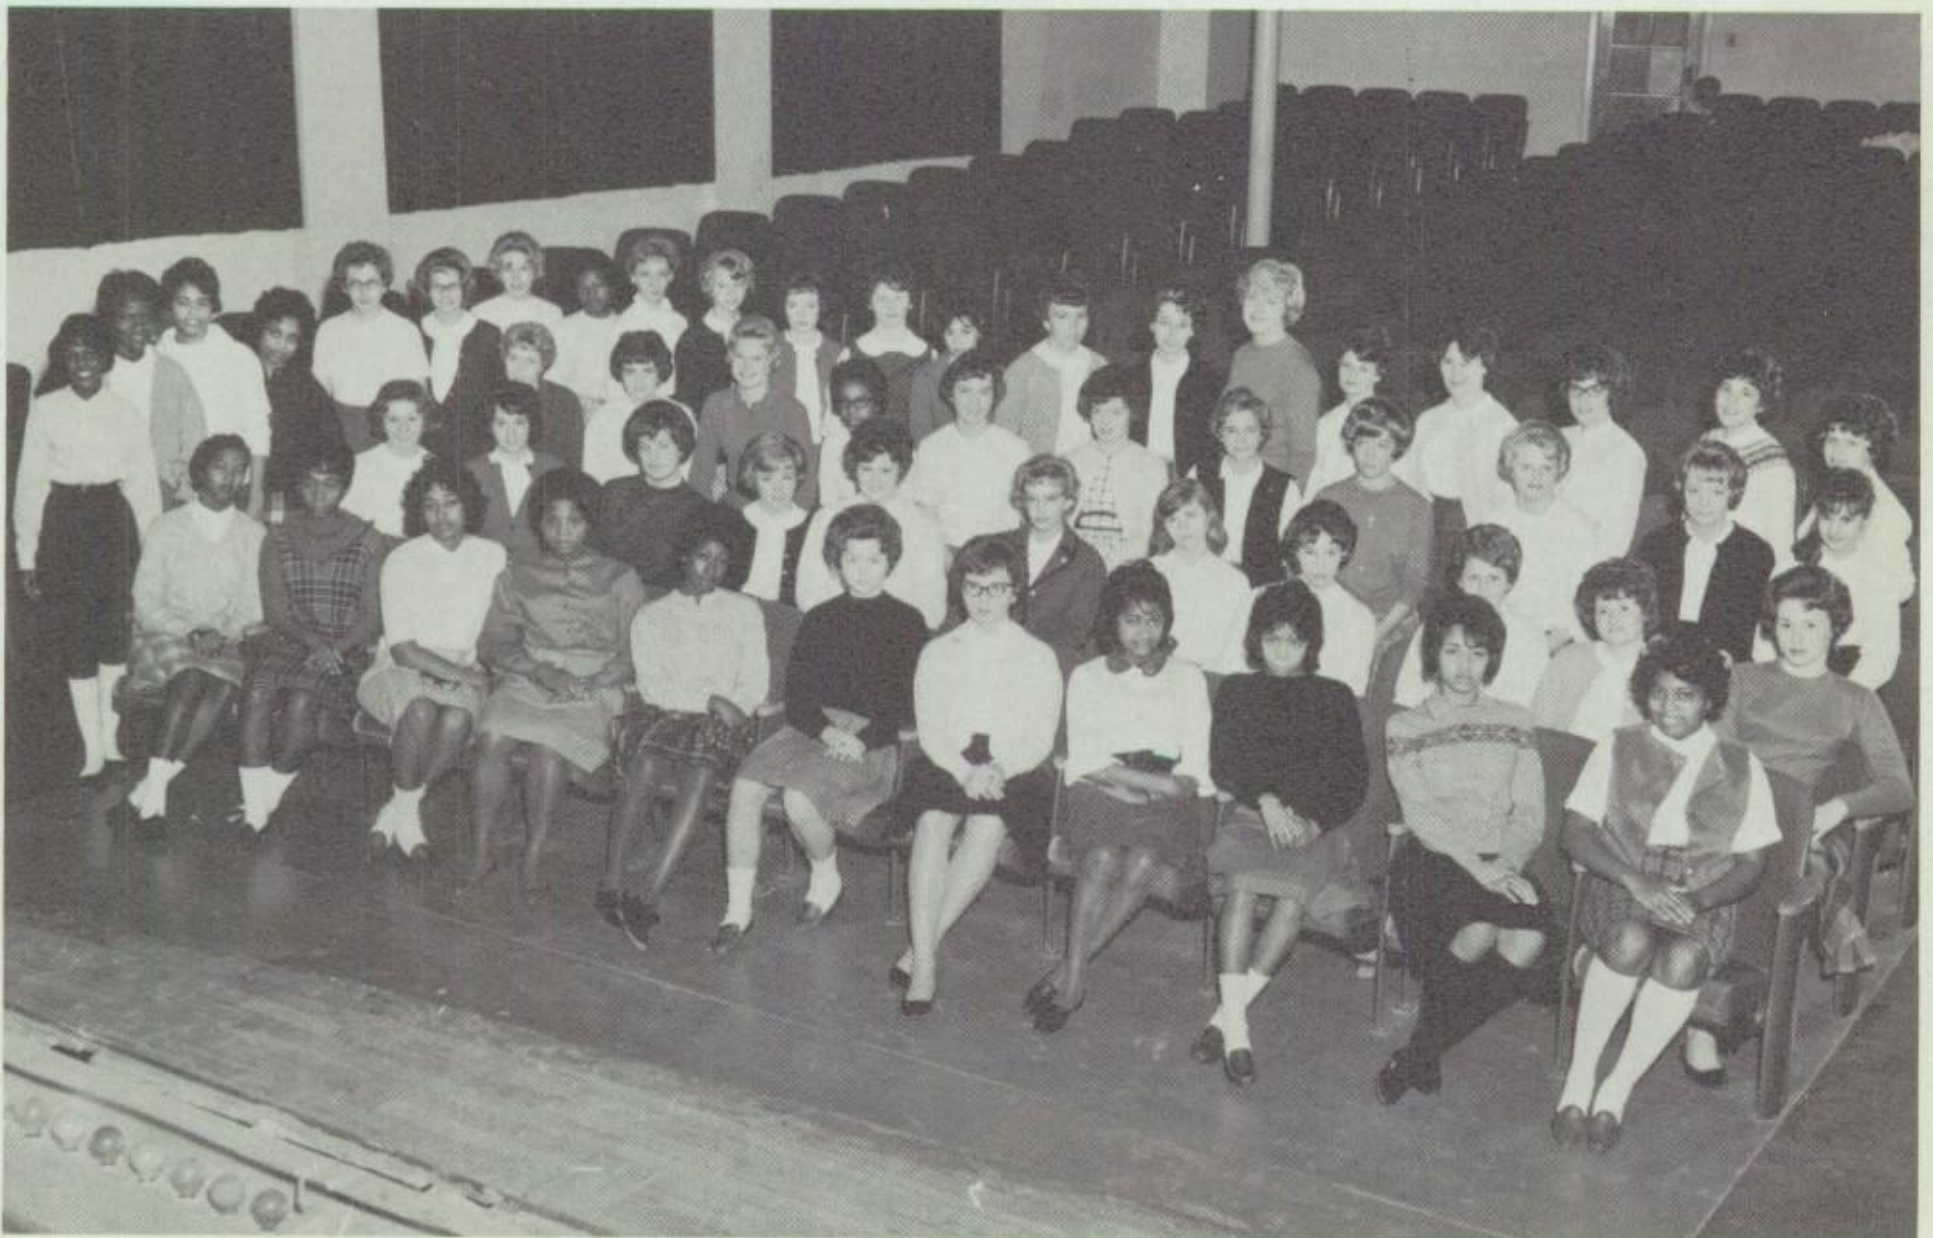

Winning a school letter in a varsity sport is the one requirement for club membership. The club's treasury was surprisingly full this year and once again the 42 members decided to award a \$100.00 scholarship to a worthy, athletic-minded senior boy.

Coach Fleenor Leads Debaters Through Another Excellent Year

The Albion high school debate team had an excellent season, as they picked up eight wins against only two losses in Twin Valley competition. Albion competes in two leagues, the Twin Valley and the Open State league. In the latter, Albion had a perfect slate, picking up eight wins in as many debates. In the middle of February, the team entered the district elimination debates held at Kalamazoo.

The squad is composed of members from the Debate II class, coached by Mrs. Ethel Fleenor. Varsity debaters were chosen from this group for each respective debate. Those debating varsity this year included: Dick Brautigam, Sue Isaac, Marion Wheeler, Chloe Warner, Steve Morgan, Nate Dickmeyer and Bob King.

In addition to Debate II, this year a class in Debate I was organized to give those freshmen that wanted to become debaters a better background than could previously be provided, and also to split up a group that would have included almost 50 persons combined.

During the spring, both classes participated in the annual spring speech contests conducted by the Michigan High School Forensic Association.

The Breeze staff would like to commend the debate team and its coach Mrs. Fleenor for a winning season, and wish them many more in the near future, to bring honor to a new Albion high school.

Youth Serve School and Community in Various Ways

This school year has been a profitable and successful one for the Future Nurses Club. The group, now sixty strong, is under the guidance of Mrs. Beverly Hannett, and the officers for this year have been Joan Court, president; Charlene Heisler, vice-president; Kay Sims, secretary, and Elaine Hilborn, treasurer.

Activities this year included making and selling victory shields for football games, scrapbooks for the children at the hospital, and singing at a local nursing home during Christmas vacation.

The remainder of the year included a rummage sale and various trips, including one to the University of Michigan, the Henry Ford Hospital and the Coldwater State Home.

The Show Does Go On, Thanks To An Alert Stage Crew

The show must go on! And how could it without a stage crew to run the lights, curtains, control the sound effects, and keep the playing stage in A-1 condition?

This year the boys have organized themselves into an official union—the United Stage Workers. Its officers are Bob Fennimore, stage manager and co-president; Ken Streeter, union president; Charles Weeks, vice-president; Jim Costello, treasurer; Jerry James, Social director. Other members include John Slick, Rick Biewend, and Paul Burstein.

Monitor's Club

The functions of the Monitors Club, under the direction of Mr. Wetmore and Mr. Redding, changed somewhat this year. Because of the change in school hours, the club members are active only noon hours, at which time they keep unauthorized persons from "roaming the halls."

G. Wiseman Heads A.V.A.; Students Learn Techniques

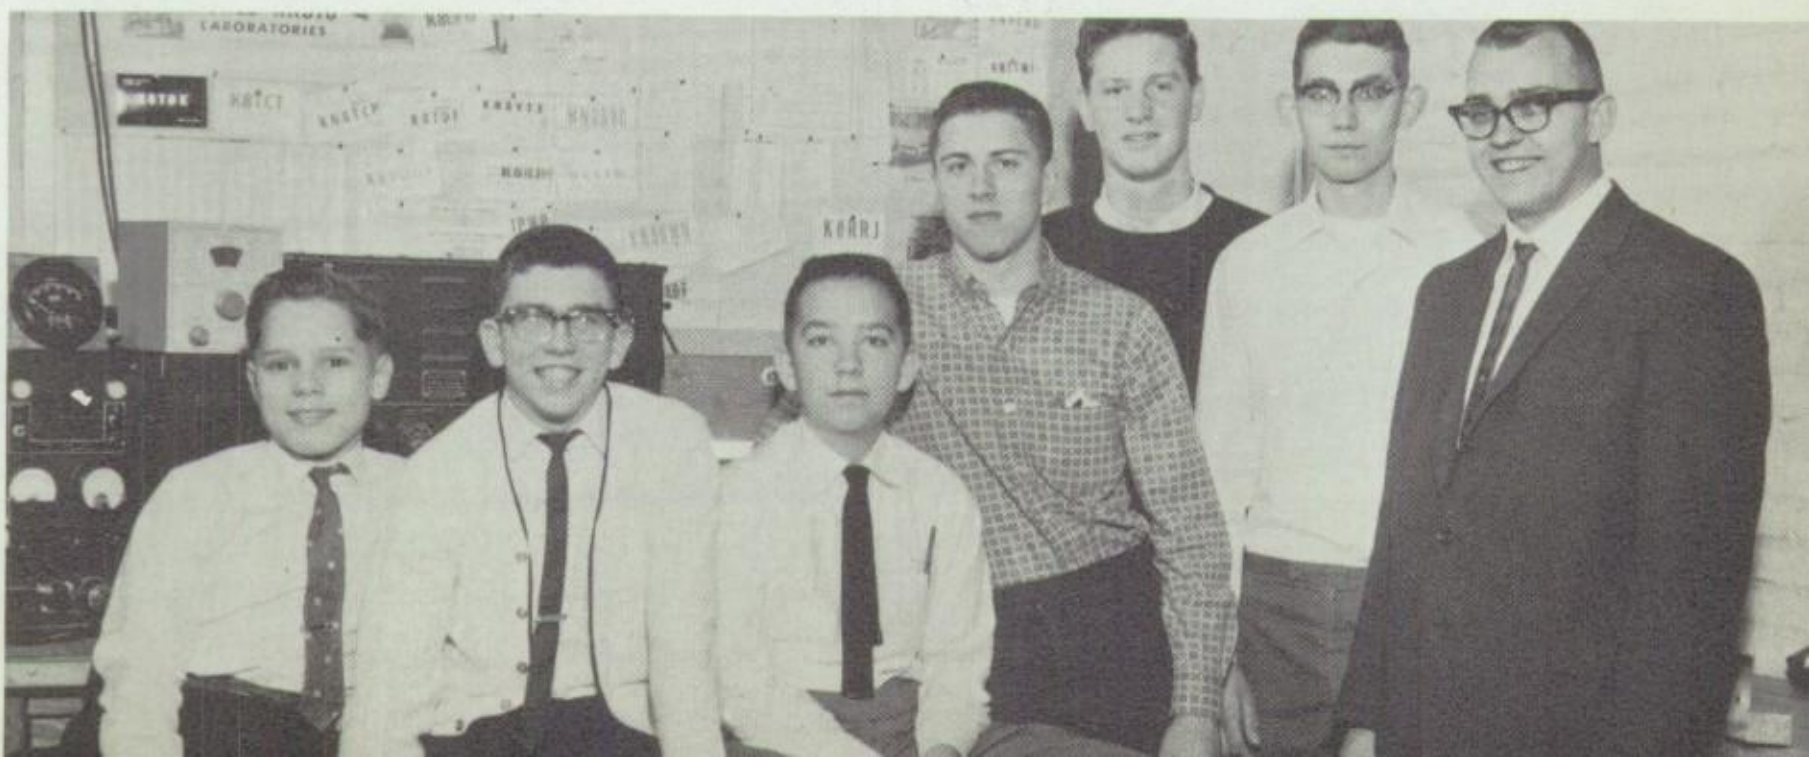

Plagued by a lack of interest this year, the A.H.S. Radio Club, licensed as K8UFO by the Federal Communications Commission, was forced to resort to having only one meeting a month for the entire second semester. The small membership, however, did not keep the club from a successful and profitable year.

Under the leadership of Mr. David Jones and with WN8DVZ (Paul Keller) as president, the hams completely reorganized their shack and installed some new equipment. The most prominent addition to the station was a powerful military transmitter. The club's present equipment is worth about eight hundred dollars and is all kept in a special room in the metal shop.

Among club activities this year were selling shop aprons as a money-making project and installing an antenna on top of the school. In the future the Radio Club hopes to enlarge its membership and add to its supply of test equipment.

What does one do to keep the films rolling? Why just ask any Audio-Visual-Aids student and poof—in no time flat we have picture, sound, and some good operating advice. These boys along with their advisor Mr. Gary Wiseman, have been a valuable asset to the student body and teachers throughout the year. Many students do not realize the many advantages of belonging to the club. Working knowledge of many audio-visual machines is achieved by members along with knowing they are serving the school.

"You Can't Take It With You," a comedy in three acts by Moss Hart, was the choice for this year's Junior Exhibition. The play was directed by Michael Beery, with assistant director Cynthia Young.

The entire performance takes place in the home of Martin Vanderhof in New York and involves a time period of about one week. The life of the Vanderhof household is a simple one and over the years many persons, wholly unconnected with the family, have come to live there. All the action takes place in the livingroom. Penelope composes plays while Essie practices ballet and Ed plays the Xylophone. Meanwhile Mr. De Pinna and Paul Sycamore manufacture fireworks in the basement, and before the plays was over, things were really popping.

The Washington Gardner High School Library Club was formed in 1954 with sixteen student librarian assistants and the club sponsors, Mrs. R. Engstrom and Mrs. I. Bartell. The present club membership is 16.

The club holds its meetings the first Tuesday of each month. Selling A.H.S. pins has been the main project in order to foster school spirit and to earn money for club expenses. At its meetings the club has had many interesting guests on its programs.

Among them were: Mrs. Vernon Bobbitt, who spoke on her book **With Dearest Love To All**, Barbara Burkwalt, a high school senior, who spoke on her trip to West Germany in the summer of 1962, and Mrs. Richard Tate, former Children's Librarian of the Public Library, as well as Albion College students from the Speaker's Bureau.

The group tries each year to develop better and more successful ways of giving library service to the teachers and students of Albion high school.

Little beads of melted snow
Seep into the ground,
And with them seep the memories
To which we're forever bound.

Now the school year's almost done
And we go our separate ways
At times our thoughts may return again
To our carefree high school days.

Baseball

Because Twin Valley competition in baseball has been switched from spring to summer, the season record and team data recorded here are for the summer of 1962. The Wildcats posted a fine record of 15 wins and 5 losses and stayed right on the heels of the Twin Valley champions, Marshall.

Albion had four of its players elected to the all-conference team. Leading the league with 17 RBI's was Manual Gonzales, a '62 graduate, Sam Trippett with 12, and Frank Gardiner ('62) with 5. Larry Arnold, another '62 graduate, struck out 89 batters, winning seven of the nine games he pitched. Trippett led the team in batting with a robust .356 average. All in all, the boys had a fine season thanks to coach Jerry Sacharski and the many fans who supported the squad each game.

'63 Musical

Is

A

Hit

"Plain 'n Fancy," a musical comedy in two acts, was presented in the AHS auditorium on May 3 and 4 at 8:00 p.m. Directed by Mr. Philip Steen, head of the vocal music department, the play was the third musical staged in the past three years.

The plot centers around an Amish community, Bird-in-Hand, and involves the quaint customs of life which the Amish people pursue. Dan King has inherited some property in a remote part of Pennsylvania that he has never seen. He and his girlfriend Ruth Winter, drive to its location and find that it is situated in the midst of his simple Amish village. Before the play was over they encountered several romances (in which they managed to get mixed up), but typical of musical comedy, it concludes with a happy ending.

All of the musical groups of AHS participated in the production.

Thanks to Mr. Philip Steen and his continuous efforts to improve the choral department, Albion High School now has three choirs, Junior High, General, and Varsity.

In the spring, Varsity Choir and General Choir travel to Western Michigan University in Kalama-

zoo where they attend the Spring Festival with other participating schools.

Mr. Steen often combines the trio for its annual mid-winter and spring concerts, which are held in the high school auditorium.

...And The Bands Played On

The 1962-63 school year has been a busy one for the Albion High School band. During the marching season last fall, the group performed in a Detroit Lions football game halftime show and participated in the district marching festival in Marshall, in addition to presenting half-time shows at Wildcat football games.

Under the direction of Mr. Karl Abel, the band presented its winter concert late in January, a "pops" concert featuring music of a light and appealing nature, in April, and combined with the choir for a spring concert in May. Also, several members played in the orchestra for the musical "Plain and Fancy."

About 50 members of the band entered the district solo and ensemble festival in February, with four receiving "I" ratings. The band also participated in the district band and orchestra festival. The Albion High School instrumental groups were represented in the All-Star Orchestra and All-Star Band last spring. In addition, the band appeared in the Memorial Day parade May 30.

The Senior class officers and executive board, advised by Mr. Arthur Ullrey and Miss Agnes Haynes were kept busy the first of the year selling refreshments and sponsoring dances after all the home football games and all but 3 of the basketball games. For Homecoming they appropriated money for a Senior float and supervised the decorating of the armory for the Homecoming dance.

In the spring they sponsored a car wash and two bakesales. They also put on a senior carnival admitting grade school children in the afternoon and high school students in the evening.

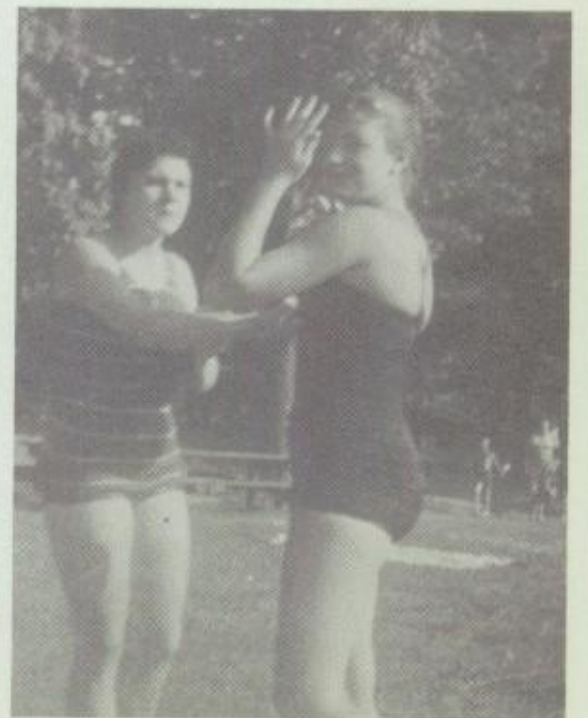

The Senior Prom, Une Soirée du Paris, was the highlight of the year, held May 31st.

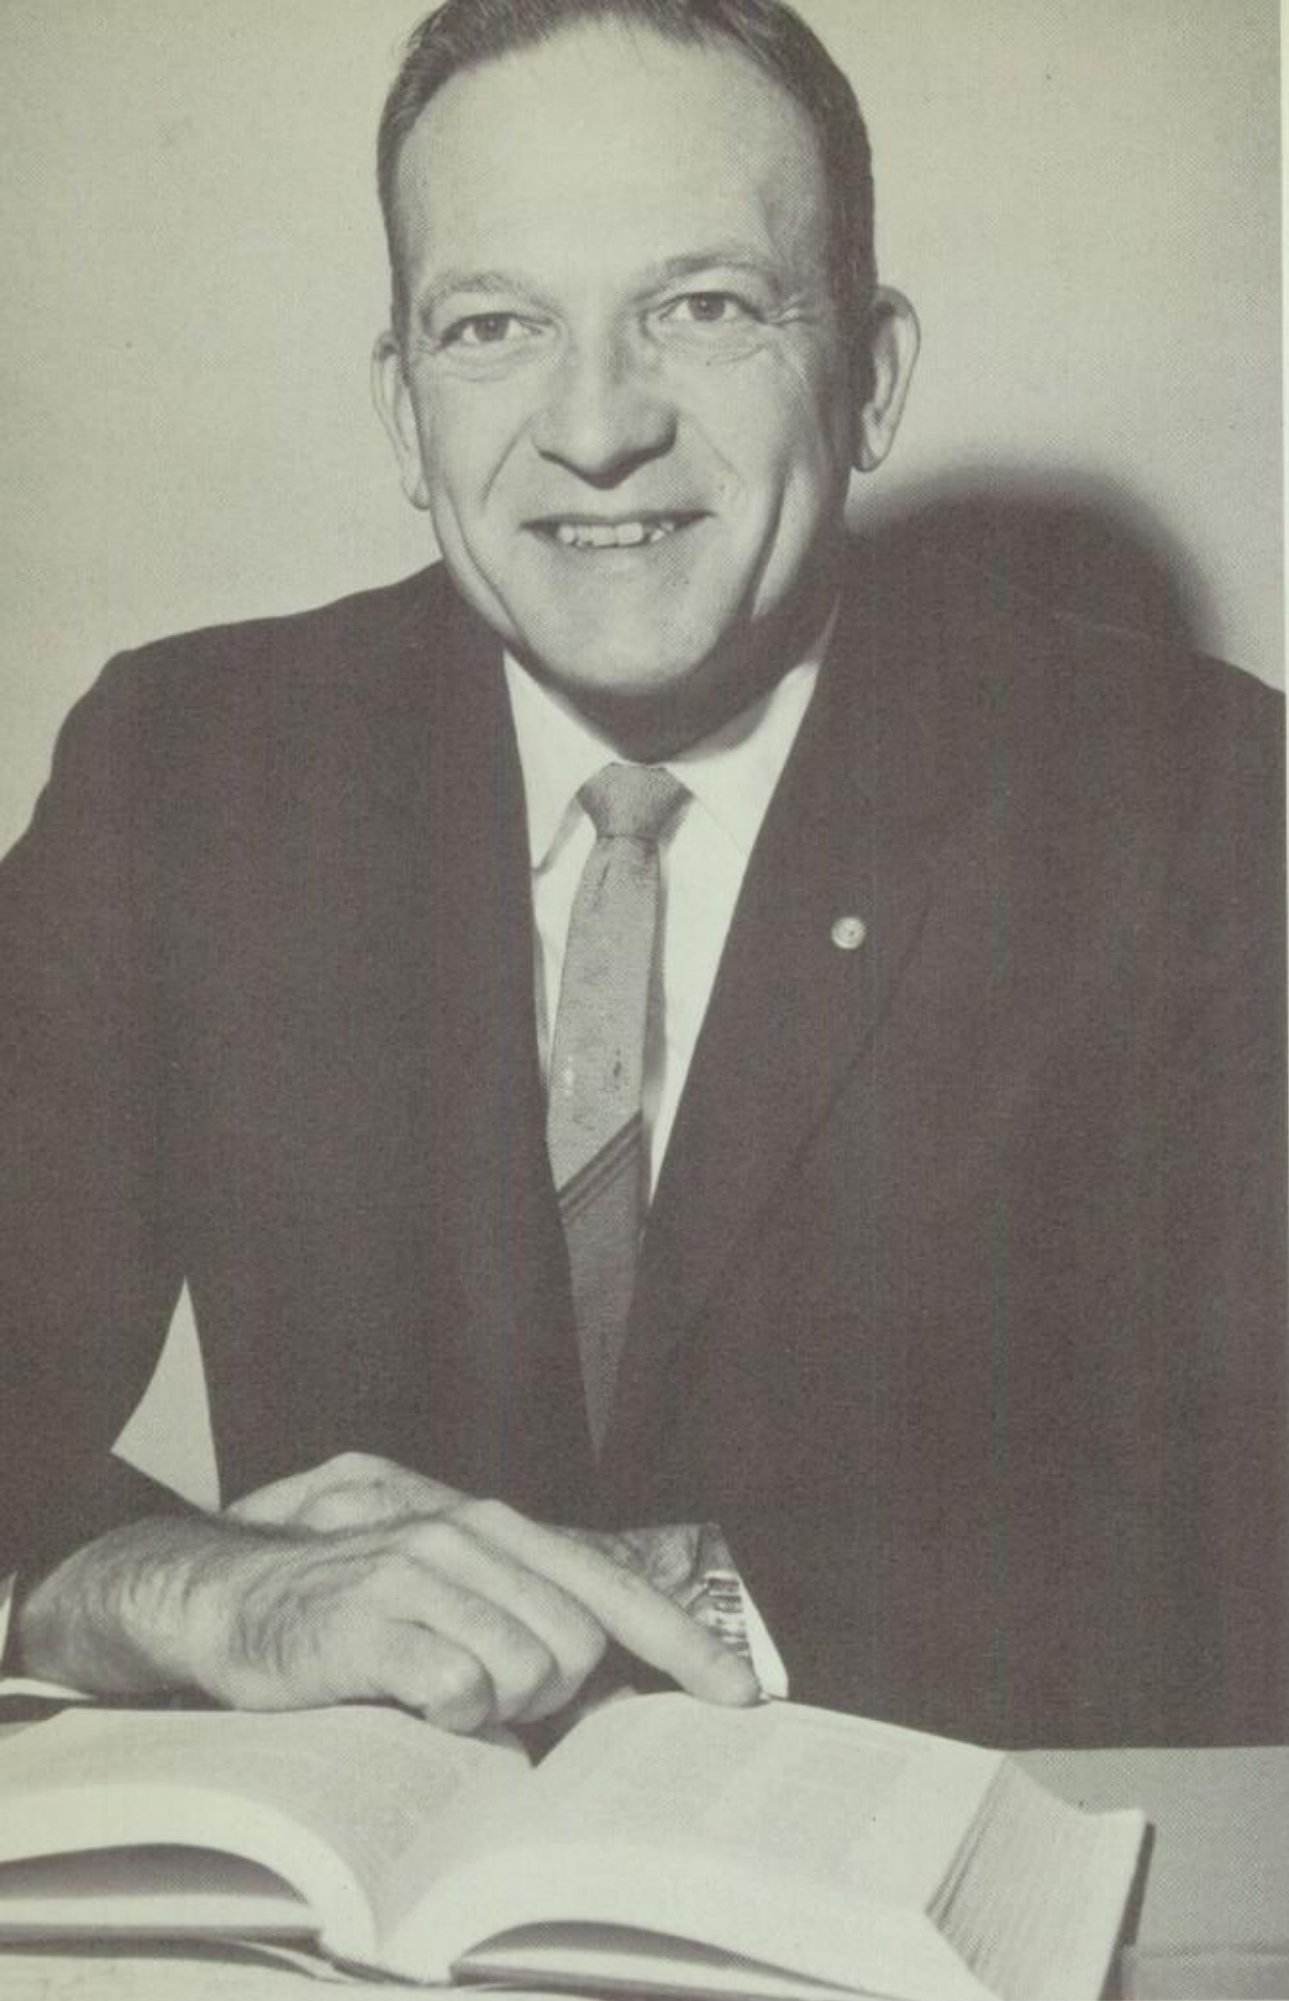

The class officers of '63 were Pres. Martin Neicko, Vice-Pres. Pete Pohl; Sec. Susan Bobbitt; Tres. Gary Johnson and Sgt. at arms, Isidro Garcia.

The officers and executive board were assisted by the committee chairmen: Prom Committee, Chuck Burch and Marion Wheeler; Skip Day, Larry Hamilton and Chuck Weeks; Class Memorial, Jim Costello and Chuck Adams; Baccalaureate, Sam Trippett and Arlene Crites; Food, Terri Van Meter and Nancy Rumsey; Dance, Sue Buist, Chloe Warner, and Isidro Garcia; Clean-Up, Pat Myers and Chuck Weeks; Commencement, Jerry James and Sue Isaac; Class Flower and Color, Carol Young and Dianne Yokom; Name Cards and Announcements, Sue Bobbitt; Class Motto, Trudy Wolfram and Morris Wells; Caps and Gowns, Dianne Yokom and Rena Gamble; Money-Making, Gary Johnson; Class Song, Marilyn Zeluff.
